I am deeply moved and listen to the CD every morning. Beautiful and goes deep into the soul! Atma Linga is so close to me that it moves me to tears every time.

I am very impressed and deeply moved. Your soul-penetrating melodies combined with your beautiful voice have given me much happiness. Many thanks to you!

Christel T., Germany, April 3, 2017

This music relaxes me and carries me away. The combination of mantras with the classical soprano voice of Eliana Fe and the piano accompaniment is deeply moving. I love the opportunity of letting the music carry me off, of allowing me to let go ... beautiful!!!!

Diana Steib in an iTunes review, 2017

You sing beautifully ... I somehow think that your songs can heal.

Thanks very much for the CD by Eliana Fe. Her voice is so beautiful to let me feel calm. Yes, I understand sentences: 'to all who strive for love and peace'. The songs are musical meditations. Thank you so much again. Recently we (in Japan) fear missile may attack Japan from North Korea. So we always pray for peace....

Elika, Japan, April 14, 2017

Incidentally, your CD is running in our operating room. Our surgeon has a new anaesthetist who has now heard your voice and was immediately enthusiastic.

You and Manuela have let wonderful music flow from the ground of all being – Thanks for this wonderful encounter.

Barbara P., Switzerland, January 2019

We would like to thank you once again for the wonderful concert in Wölflinswil. It was a very special event, a unique musical delicacy that touched us deeply. The beautiful sounds have filled us with joy and inner peace, and still reverberate today. We are so happy for you that your songs have met with such a good response.
